### Description

Browser: Chrome 100

OS:  Windows 11

Steps to reproduce:

1. Go to page wizzair.com
2. In the slide menu click hover over menu item "Flights" and click on it.
3. Click on the input field "Origin" and type Sarajevo.
4. In the slide menu click on the option Sarajevo.
5. Click on the input field "Destination" and type Eindhoven.
6. In the slide menu click on the option Eindhoven.
7. Using the date picker select the available departure date.
8. Click on the button "One way only".
9. Click on the "Passengers" input field.
10. Slide menu is shown.
11. Click on the button "+" in the input field "Child (2-14)".

12. Number in the input fields " Child (2-14") and "Passengers" is incremented by the number of times you clicked on it.
13. Click on the "OK" button.
14. Slide menu dissapears.
15. Click on the button "Search".
16. User is redirected to page "Select flight".

Expected result: User is able to proceed with the process of booking the desired flight.

Actual result; When clicking on the "Search button" error mesage is shown "Sorry, something went wrong, please to try again later".
