Description

Browser: Chrome 100

Account: marionizic@msn.com

OS: Windows 11

Steps to reproduce:

1. Go to page wizzair.com
2. Click in the header on menu item "Sign in"
3. Enter valid email and password (marionizic@msn.com, Thedestroyer1309)
4. Click on button "Sign in"
5. Modal window "Welcome back Mario" is shown
6. Click in the header on profile name.

7. Profile page is shown.

8. Hover over "Your profile" section card and click on it.

9. Modal window is shown.

10. Hover over "Billing address" section card and click on it.

11. Modal window is shown.

12. In the input field "City" type (Mostar).

13. In the input field "Postcode" type (88000).

14. Updated "Your profile" modal window is shown.

Expected result: Billing address is changed succesfully

Actual result: Nothing happens. Billing address remains the same after our desired update.
